The following pottery is from Bat Trang, Vietnam, a 600 year old pottery village near Hanoi using natural clay from the Red River. All pottery is hand-painted with lead-free, non-toxic glazes and is dishwasher and microwave-safe. The traditional cream-crackle glaze is used to make the dragonfly design. This pattern can be offered as a complete wedding registry. Celadon is the oldest glaze, while the most modern is the bright blue and white pattern.
